

Pro-American Immigration

Shouldn't American Voices Shape American Immigration?

George Farag, PhD

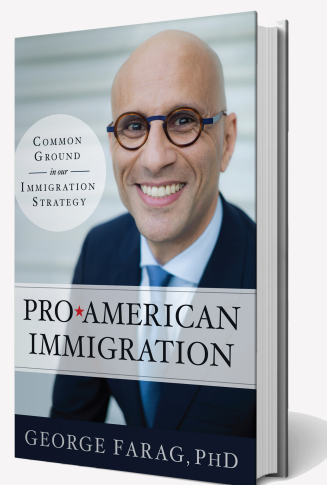

U.S. Immigration & Visa Expert

Dr. George Farag served as a Diplomat and Consular Officer at high-risk American embassies. He decided on thousands of visa applications and received the Department of State's Superior Honor Award, the Meritorious Honor Award, and the George P. Schultz Consular Certificate.

Dr. Farag immigrated to America from Egypt with his family. He understands immigration from both sides of the process and provides a unique perspective on critical immigration issues in the headlines today. He is the author of the book *Pro-American Immigration: Common Ground in our Immigration Strategy*.

Story Ideas:

- Supreme Court decisions on DACA and Asylum
- Expert analysis: Cutting through the noise on immigration.
 - The COVID-19 immigration ban.
 - Trump Administration's new immigration rules.
 - Understanding immigration policy in layman terms.
- Five ways to find common ground in our immigration strategy.
- How the American taxpayers raised me to be the man I am.
- Immigration from both sides of the window: Personal insights from an immigrant turned U.S. diplomat.
- Coming to America didn't change my life. It saved it.
